

Dear guest,

We have been sooo excited to welcome you to Hotel Fårup, and we will do our very best to give you and your family a fantastic experience ☺

Hotel Fårup is the story about a dream – a dream that came true May 2016 where we, for the first time, could open the hotel doors and welcome you inside. The dream about Hotel Fårup already started back in 1987, however, it was not until fall 2014 that the first sod was cut. Today, the hotel has 51 family rooms. The hotel restaurant consists of three dining facilities namely Birkestuen, Elgens Hule and Størekassen.

Fårup Sommerland

It is with great pleasure that we welcome you to the 2nd best amusement park in Europe, elected by an international panel that consists of European experts and the German magazine Kirmes & Park Revue, both in 2015, 2016 and 2017.

Additionally, in the first quarter of 2018 Fårup Sommerland was elected as “The best amusement park in The Nordic countries” and “The best family ride in Denmark”. Fårup Sommerland has existed since the summer of 1975 where there, among other things, were trampolines, rowing boats, horses, sandpits, shooting ranges and bowling alleys. Ever since, Fårup Sommerland has developed into an amusement park with more than 60 rides, and it offers plenty of entertaining experiences for both children and adults. In other words, the whole family will be able to have some exciting and fun days together at Fårup Sommerland.

The biggest experiences are those we have with each other ☺

This folder contains practical information that might be useful for you during your stay at Hotel Fårup. Remember that our friendly staff are more than happy to help you with any questions that you may have. You are always welcome in the reception, which is open day and night. If you wish to call the reception, you just need to dial 600 from the phone in your room.

We hope that you will have a wonderful stay with a bunch of memorable experiences.

Best regards
