

**Dear guest,**

We have been sooo excited to welcome you to Hotel Fårup, and we will do our very best to give you and your family a fantastic experience ☺

Hotel Fårup is the story about a dream – a dream that came true May 2016 where we, for the first time, could open the hotel doors and welcome you inside. The dream about Hotel Fårup already started back in 1987. However, it was not until fall of 2014 the construction work began.

Today, the hotel consists of 51 family rooms, 2 family suites, a restaurant consisting three dining facilities; Birkestuen, Elgens Hule and Stærekassen, as well as 4 meeting facilities and our Bålhytten.

### **Fårup Sommerland**

Fårup Sommerland has existed since the summer of 1975 where there, among other things, were trampolines, rowing boats, horses, sandpits, shooting ranges and bowling alleys. Ever since, Fårup Sommerland has developed into an amusement park with more than 60 rides, and it offers plenty of entertaining experiences for both children and adults. In other words, the whole family will be able to have some exciting and fun days together at Fårup Sommerland.
